

Hey there, I'm Ava! 🙌
Your friendly neighborhood mural artist from
vibrant Manila, Philippines

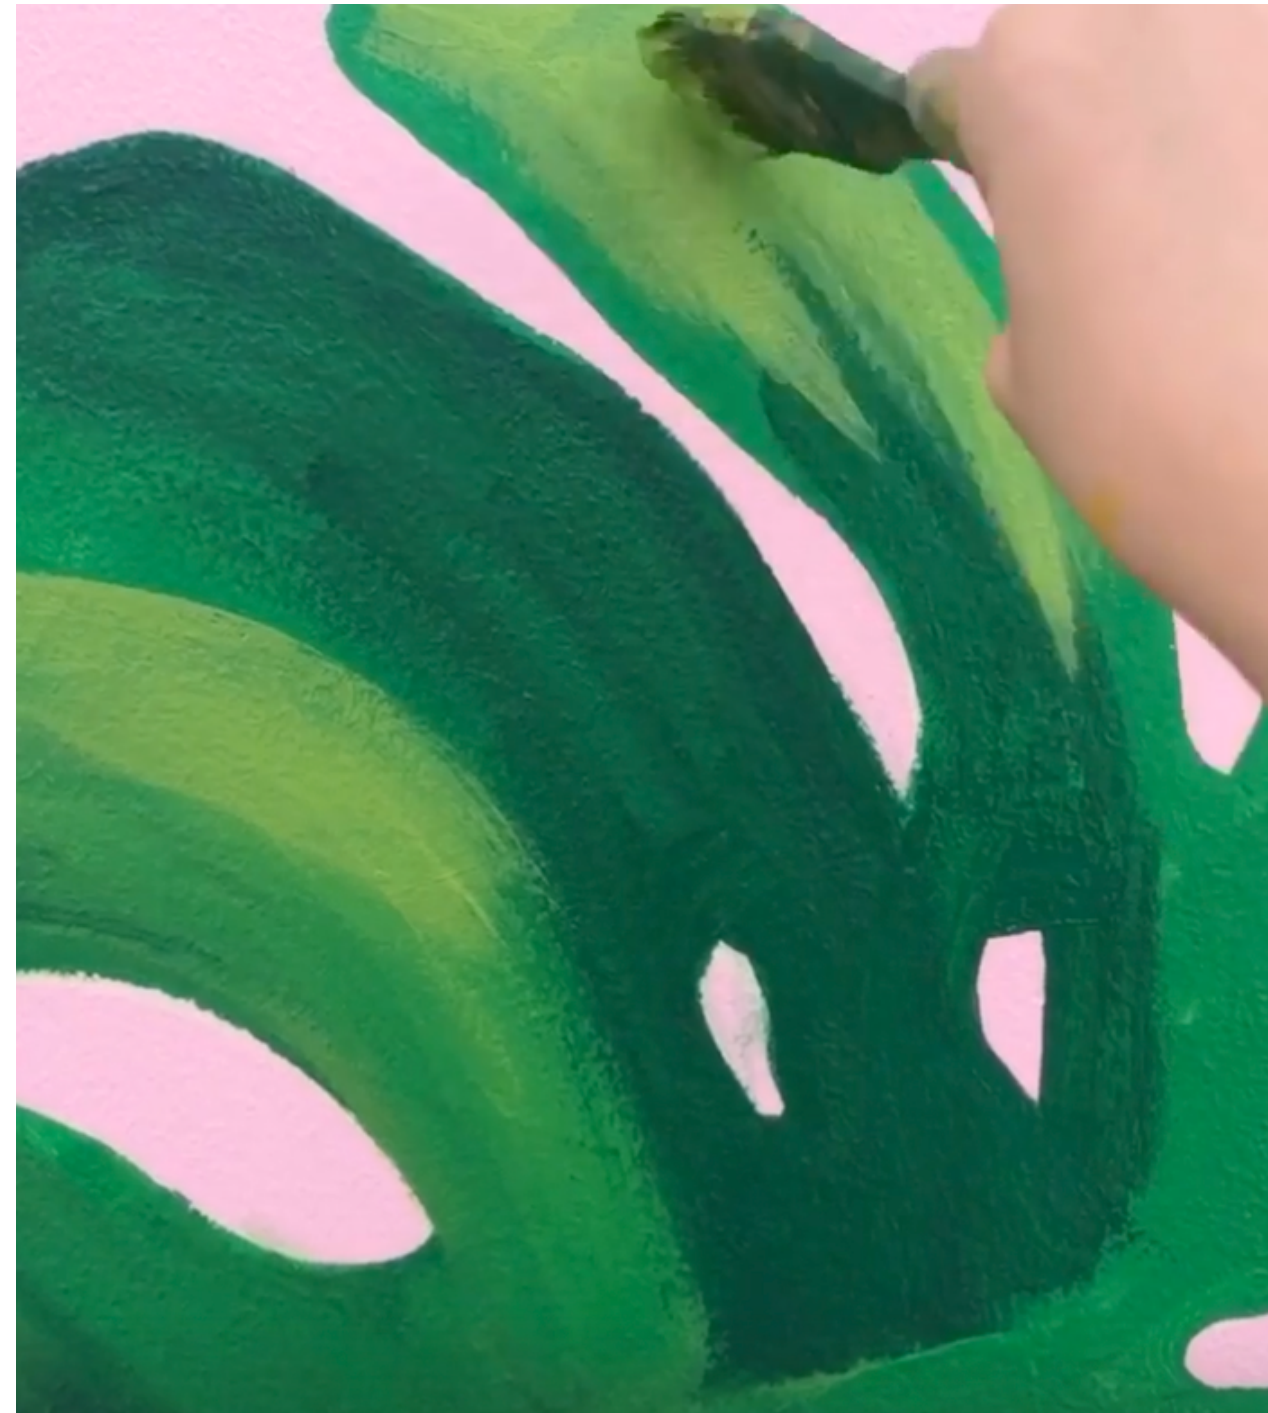

My passion
is painting
walls to
breathe
life into
bare
spaces 🎨

I'm all about **nature, vibrant hues, and spreading joy through my art.**

It's the essence I aim to infuse into every mural I create. I love diving into purposeful art that champions causes or ideas close to the heart of the brands or companies I collaborate with.

It all started with an inspiring stint alongside the renowned mural artist from the Philippines, Anina Rubio.

Now, I'm spreading my wings, taking on my own clients, and gearing up to craft even more magic in 2024.

Notably, I've been painting enchanting murals for various retail stores within the Enchanted Kingdom theme park from 2021-2024.

I thrive in tailoring designs to suit my clients' visions and needs, and I wish to do the same for you!

Ready to bring your walls
to life? Let's team up! 🎨
